

# Executive Proclamation

## State of South Dakota

### Office of the Governor

*Whereas*, The citizens of South Dakota stand firmly committed to quality after school programs and opportunities; and,

*Whereas*, After school programs provide safe, challenging, engaging, and fun learning experiences to help children and youth develop their social, emotional, physical, cultural, and academic skills and provide support for working families by making sure their children are safe and productive after the regular school day ends; and,

*Whereas*, After school programs build stronger communities by involving students, parents, business leaders, and adult volunteers in the lives of our young people, thereby promoting positive relationships among children, youth, families, and adults. The after school program engages families, schools, and diverse community partners in advancing the welfare of our children; and,

*Whereas*, South Dakota has provided significant leadership in the area of community involvement in the education and well-being of our youth, grounded in the principle that quality after school programs are key to helping our children become successful adults; and,

*Whereas*, On October 18, *Lights On Afterschool*, a national celebration of after school programs, will promote the critical importance of quality after school programs in the lives of children, their families, and their communities; and,

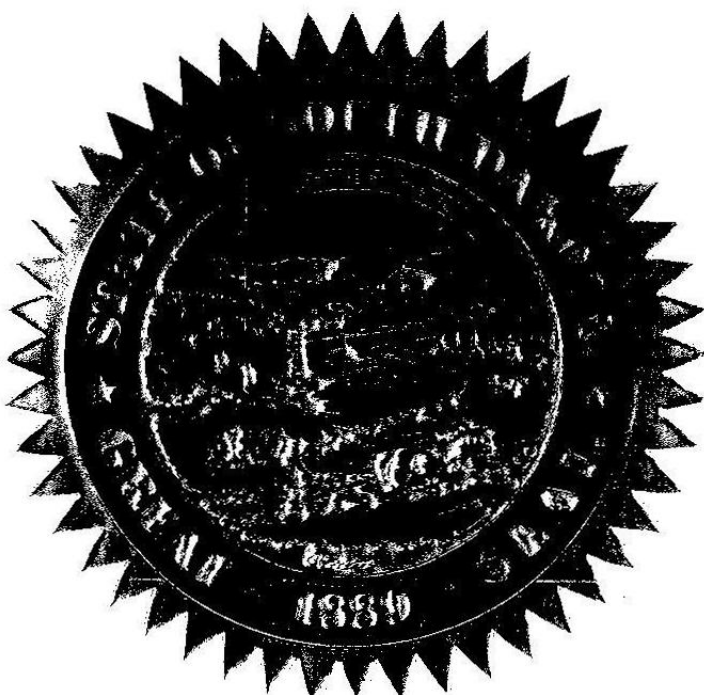

*Whereas*, South Dakota continues to have one of the highest percentages of working mothers in the nation who depend on quality after school programs for their children with 158 licensed after school programs offering care and education to approximately 12,000 school-age children each day; and,

*Whereas*, The state of South Dakota encourages all communities to help after school programs "keep their lights on" so they can continue to provide expanded learning opportunities that will help close the achievement gap and prepare young people to thrive as adults:

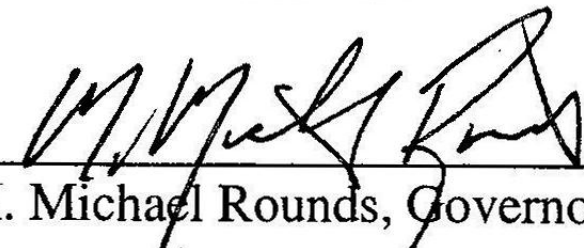

*Now, Therefore, I, M. Michael Rounds*, Governor of the state of South Dakota, do hereby proclaim October 18, 2007, as

### *LIGHTS ON AFTERSCHOOL DAY*

in South Dakota, and I urge parents, elected officials, and community members to recognize the importance of after school programs.
